DEAR BROTHER:—The Brethren of the New Hope church near Unionville, Ia., will hold their communion on the evening of June 9th. All are invited to be with us on that occasion—especially Ministering brethren. Those coming by rail will be met at Unionville and conveyed to place of meeting, by notifying the writer at Udell, Ia.

Yours in behalf of the church,
C. A. ULLRICK, Sec'y.

April 10, 1894.

We held our regular quarterly business meeting April 3rd, very few were present, yet we had a harmonious session; every thing passed off pleasantly. We will hold our Communion Services Sunday evening, April 22nd. Evening services will begin Thursday previous.

WHO CAN MAKE A BETTER REPORT?

TYNER CITY, IND., April 9, 1894.

I deem it prudent to inform the Brethren that we are not dead nor asleep. We have been wide awake ever since we organized two years ago with nine members. The writer was elected deacon with the right to preach. We preached our first sermon on June 11th, 1892. In August we had two accessions to the church; in September two more; in November one; on November 25, 1893, two more. The first Sunday in March, Bro. I. N. Miller, of South Bend, Ind. came to us and commenced a protracted meeting. He preached sixteen sermons, and the result of his labor is twenty-three precious souls brought to Christ. We feel that we closed our meeting too soon. The last evening seven came forward. Many others are counting the cost of living in sin, believing that the good seed sown will bring forth good fruit abundantly.

THE WORK AT AMELIA, IOWA.

We can not boast of great progress in the cause of our Master. We are in peace and harmony. Our membership is much scattered which is a source of weakness, especially in times of bad weather. Our Sunday school, which was closed in December, was reorganized on Easter Sunday and from present indications we may look for an interesting time in that line of work.

Our Thursday evening prayer meetings are well attended and the

interest, in general, seems to be increasing. The attendance at our regular services, both here and at Marcus, a place about twenty-five miles west of this, are increasing, and the attention and interest manifested is encouraging to us. And we are hopeful for the future. I am glad to be able to say that the EVANGELIST in its new form, bearing the glad tidings of so many conversions from different places, is highly appreciated by all who read it in this place. Our paper is certainly gaining favor in the minds of nearly all who carefully read it.

My dear Brother and Sister Harrison, we deeply sympathize with you in behalf of your son, our dear little Brother Homer, in his suffering. May God sustain you in all your afflictions, is my prayer.

C. FORNEY.

DEACONS VISIT THE MEMBERS.

PLEASANT GROVE, VA., April 6, 1894

DEAR BRETHREN:—We had preaching at our church last Sunday morning by Brother S. H. Love, who has been holding meetings in Md., W. Va. and Penn. We hope much good has been accomplished in those places. We organized Sunday school last Sunday morning. We ask the prayers of the Brethren for its success. J. T. Oliver was appointed Sup't.; J. C. Love, As't.; W. C. Winn, Treas.; H. C. Love, Librarian and Mrs. John Cleaton, Sec. The classes will be formed and teachers appointed next Sunday. In addition our usual prayer meetings at the church, we have them at some brother's residence once a month. While we have no regular pastor we will have services at our church on every first Sunday in order to keep up the interest. Our deacons will visit the members the first of this month, for the purpose of reading God's Word and praying with them.

Your Sister in the Lord,
ELLIE MAY WINN.

What Others Say of Us.

"There is no Seedman in America that enjoys a sounder reputation for square dealing and conscientious claims for the seed he offers. His Catalogue makes no pretense of captivating by tawdry colored pictures, or inflated windy phraseology. It aims to guide, not to bewilder, its readers."

—(From Editorial in Rural New Yorker.)
To all in search of this kind of a Vegetable and Flower Seed Catalogue, we shall be happy to send it free. You will find in it, probably, a larger variety of some kinds of Vegetable Seed than in any Catalogue published in this country or Europe; many of the more costly we raise on our four seed farms. There are pages of Novelties, from which the humbug has been winnowed out.
